**The chart below lists the total amount of tournament registration fees and expense limits per team per age group that the club will cover for all competitive teams.**

Through the collection of coaching fees from all competitive players, Flight will cover the cost of tournament registration fees and travel expenses for all competitive teams per full soccer year (August 1<sup>st</sup> to July 31<sup>st</sup>) at the limits per competitive age group listed in the chart above.

*Note: Competitive teams must attend four (4) tournaments per full soccer year per club policy. Teams can attend more than four tournaments as long as they do not exceed the limit listed for their respective age groups. If a team exceeds the limits for tournament fees, the overage will be the responsibility of the coach and/or team.*

If a team chooses to do so, they can include the \$650 State Cup registration fee as one of the tournaments covered by the age group's limit. If a team does not include the \$650 State Cup registration fee, then the cost will be the responsibility of the coach and/or team should they choose to participate.

Expenses will be reimbursed for Competitive team head coaches at the limits per competitive age group listed in the chart above. Details of the expense reimbursement policy are as follows:
